Please note that these prices include the breakfast. However, 8% taxes will be charged in addition.

The venue and the other selected hotels are close to Ataturk Airport which is now used for almost all international flights. Transportation from airport are in general made by taxis or hotel shuttle services in distance about 10-12 km (15-25 min). Fare is about 5-8 euros to the venue. But newly built Istanbul Grand Airport in northern part of the city at European side is planned to open service at the beginning of 2019. Therefore at dates of conference there may be possibility of shifting international flights to new airport. Updated transportation means with further details will be available in due course whenever the new airport shall be in service.

Please also note that the number of available rooms at the Venue is not guaranteed but no last booking deadline shall apply.

The other hotel prices shall be valid for bookings until December 2018.

We look forward welcoming you all in Istanbul.
