

Circular Letter 01/2020

2 April 2020

Subject: Implementation of Circular Letters
To: All Members and Sister Organizations

Dear Member,

I am pleased to inform you that IALA intends to communicate important information to its Members, Sister Organizations and other interested parties by means of Circular Letters.

The purpose of Circular Letters is to inform members of important information, formal invitations, and other essential updates relating to the work of IALA. The Circular Letters will be stored on the IALA web-site and may be viewed and downloaded from this link: <https://www.iala-aism.org/news-events/circular-letters/>

I hope that this new simple, effective and expedient means of communicating to all our members and stakeholders will be of use and well received.

Yours sincerely,

Francis Zachariae
Secretary-General
