

Circular Letter 2023/11

18 July 2023

Subject: IALA Heritage Lighthouse of the year 2024

To: All IALA members

Dear IALA Member,

I am pleased to announce that nominations are now open for the 2024 IALA Heritage Lighthouse of the Year Accolade.

I would encourage you to take this opportunity to put your most treasured lighthouses in the spotlight. Nominations may be made for a variety of reasons, for instance, perhaps you wish to showcase outstanding lighthouse conservation or possibly highlight its use in public education.

A Heritage Lighthouse is any lighthouse of cultural significance which goes beyond its current function and time. It does not have to be old, but it must have a cultural value.

The submitted nominations will be published on the website and the nomination form containing further guidance is available at: <https://heritage.iala-aism.org/nominate-a-lighthouse/>. If a lighthouse has been nominated in a previous year, there is no need to nominate it again – it will automatically be considered for the 2024 accolade.

Please note that the deadline for submission is 30 September 2023. Previously submitted nominations will also be considered and do not need to be re-submitted.

Yours sincerely,

Francis Zachariae
Secretary-General
