IALA WAA

General overview

The World-Wide Academy

The vehicle by which IALA delivers training and capacity building

- Started in January 2012
- Independently funded
- Focused on Strategic Goal 2
- Facilitates both AtoN and relevant topics
- Develops capacity building all over the world

The Academy – A strategic asset for IALA

Strategic Vision - Goals for 2026:

Goal 1

Marine Aids to Navigation are developed and harmonized through international cooperation and the provision of standards.

Goal 2

All coastal States have contributed to a sustainable and efficient global network of Marine Aids to Navigation through capacity building and the sharing of expertise.

What we do

The Academy aims to ensure that all coastal States can fulfil the obligations related to Marine Aids to Navigation placed upon them in SOLAS Chapter V and that all coastal States can claim conformance with the relevant IALA Standards.

1 ENLIGHTEN

raise the awareness of high-level decision makers of their international obligations relating to safety of navigation;

2 EDUCATE

provide a suite of relevant education and training opportunities for as many as possible; and

3 ENGAGE

pursue long-term capacity building activities with coastal States and provide advice on how to overcome challenges.

What do we do?

- **Education and Training**
