

**Agenda item 9 – IALA TECHNICAL ACTIVITIES****9.8 Technical Committee arrangements for 2014-2018****9.8.1-3 Nominations by Secretary General for Committee leadership 2014-2018****1. Executive Summary**

This document carries the nominations by the Secretary General for the positions of Chair and Vice-Chair for the four technical Committees for the 2014-2018 work period.

**2. General**

Councillors will recall the Rules of Procedures that were agreed for the current work period. The paragraph relating to Committee officers reads as follows:

*3 Committee officers*

*The Council appoints the Chairperson and Vice Chairperson of the Committees. Nominations for these positions may be made by National Members and the Secretary General.*

*Secretaries to the Committees will be appointed from the Secretariat by the Secretary General.*

*Committee Chairperson and Vice Chairperson may make use of sub-groups to facilitate the execution of the approved work plans. Any sub-groups created at the meetings are at the sole discretion of the Committee Chairperson and Vice Chairperson.*

*The Committee, as agreed by the Chairperson and Vice Chairperson, should appoint Rapporteurs to provide information on the developments of subject elements that have an impact on or influence the work of the particular Committee and the overall provision of aids to navigation service."*
