

## Summary report of the 2<sup>nd</sup> Session of the IALA ENG Committee

**18 to 22 May 2015**

### **Executive Summary<sup>1</sup>**

- 59 members from 26 countries attended the second meeting of the ENG Committee, of which 35 were National Members, 12 were Industrial Members and 6 were Associate Members; 12 members attended for the first time;
- The Committee considered 53 input papers;
- The Committee produced 11 output documents and 15 working papers including 4 Academy model courses and 2 workshop proposals;
- The Work Programme for 2014-2018 was updated;
- Initial planning was carried out for a workshop on the challenge of providing ATON services in extremely hot climates in Abu Dhabi from 4<sup>th</sup>-7<sup>th</sup> September 2016. Approval from the host country is awaited.
- Initial planning was carried out for a workshop on sustainable light & power for the next generation in Koblenz in March 2017.
- The work of transforming the IALA product line continued;
- The 33 tasks in the Work Programme for 2014-2018 are progressing on schedule except Task 5.1.11 (Update 1061 Illumination of Structures) which is delayed by one session. A new task 5.1.14 (Review and update Guideline 1069 on synchronisation of lights) was added to the programme.

Progress summary table:

| Task  | Number Tasks | Progress Indicator |        |     | Status Overview   |
|---|--------------|--------------------|--------|-----|---|
|   |              | Green              | Yellow | Red |   |
| <b>TD#1 – Light and vision physics</b>              | 8            | ☒                  | ☐      | ☐   | All tasks progressing per plan  |
| <b>TD#2 – AtoN design and maintenance</b>           | 8            | ☒                  | ☐      | ☐   | All tasks progressing per plan  |
| <b>TD#3 – Global capacity building and training</b> | 2            | ☒                  | ☐      | ☐   | All tasks progressing per plan  |
| <b>TD#4 – Civil engineering and environment</b>     | 4            | ☒                  | ☐      | ☐   | All tasks progressing per plan  |
| <b>Across all domains</b>                           | 18           | ☐                  | ☒      | ☐   | New task 5.1.14 added<br>All tasks progressing per plan except task 5.1.11 which is delayed by one session. |
