

IALA COUNCIL 79th session

11-14 December 2023
IALA Headquarters

9 – FINANCE AND AUDIT COMMITTEE REPORT

9.4 – Membership contribution status

Note by the Secretariat

GENERAL STATUS OF MEMBERSHIP

As of November 15, 2023, IALA welcomed in total 28 new members, including:

- Twenty Industrial members;
- Five Associate members; and
- Three new National members: Albania, The Republic of Maldives and Cambodia.

Despite 6 resignations and 9 terminations effective on January 1, 2023, the total number of members reached 350 in November 2023 (+4% compared with last year).

IALA has received 88% of the contributions due for 2023 and 81% of the contributions in arrears (for the years 2018 to 2022).

ACTIONS BY THE SECRETARIAT

During the year, the Secretary-General has, as approved by the Council, considered individual cases and waived part of the outstanding contributions, where appropriate:

- The waiver of the 2021 contribution was granted to the Industrial member, **CNS Systems AB**, from Sweden (4SUED10).
- A free membership has been granted to the new National member from **Cambodia** (1CAMB01) for the year 2023.

SUSPENSIONS AND TERMINATIONS

A list containing outstanding balances is presented in Annex 9.4.1.

Due to non-payment of their contributions, eight Industrial members and two Associate members are now in a position to be removed from IALA membership list. They were suspended by Council 77 and still haven't paid their dues. The financial impact is €238,203 in total.

The decision to suspend or terminate membership for non-payment (see members in red in Annex 9.4.1) will be examined at item 15 of the agenda.

THE COUNCIL IS INVITED TO

Note the membership situation status.
